Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Monday 31 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and dry with plenty of warm sunshine today.

Today:
Low cloud will retreat back to North Sea coastal areas, where it may linger all day in some spots. Feeling cool where low cloud lingers. Elsewhere, fine and dry with plenty of warm sunshine and light winds. Maximum temperature 25 deg C (77 deg F).

Tonight:
After a fine end to the day, it will remain dry with clear spells overnight. It will be a breezier night compared to previous nights and milder too. Minimum temperature 12 deg C (54 deg F).

Tuesday:
It will be another fine and dry day, with plenty of sunshine. Feeling rather warm in the sunshine, with some relief in some windward coastal areas, where breezier. Maximum temperature 24 deg C (75 deg F).

Outlook for Wednesday to Friday:
Fine and dry with warm sunny spells on Wednesday, and breezier. A weakening band of showery rain moves northeastwards during Thursday. Chance of heavy and thundery showers on Friday.
